Spiritan Horizons seeks to further research into the history, spirituality and tradition of the Congregation of the Holy Spirit. In line with the aims of the Center for Spiritan Studies at Duquesne University, Pittsburgh, its overall goal is to promote creative fidelity to the Spiritan charism in the contemporary world. The journal combines articles of a scholarly nature with others emphasizing the lived experience of the Spiritan charism today. Special attention is given in each issue to the Spiritan education ethos, in view of the university context in which the journal is published.
