THE SILVERLAKE EXPERIMENT. By LaMar T. Empey and Steven G. Lubeck. Chicago: Aldine Publishing Company, 1971. Pp. x, 354. $12.50. This book is based on a four year field experiment in which a community alternative for dealing with seriously delinquent boys was conducted and compared with a more traditional, institutional approach. It reports on the experiment and its results, and describes the development of techniques permitting experimental tests of contemporary theory, action programs, and the research method itself.
