Title: Report on The Universe Is On Our Side

Date: 2020-06-27T05:30:00.001-04:00

6/27/2020--Readers of this blog have noticed the dearth of material over the past month or so. I have been hard at work writing the first draft of the book that will be published by Oxford University Press next summer--The Universe Is On Our Side: Restoring Faith In American Public Life. I want to report that yesterday I finished Chapter 6--of a likely 10. So, more than halfway there. So, watch for my continuing column updates here, but there will not be too much more material posted probably for another month. In August, I will return with more regular reflections.
