Title: It Is Not Clear Whether Republicans Really Believe the 2020 Election Was Stolen--This Week's Column

Date: 2021-02-24T12:52:00.001-05:00

2/24/2021--I tried to take a nuanced view of the Myth of the Stolen Election in this week's column in the Pennsylvania Capital-Star. Many do. But research shows that losing partisans often feel elections were unfair, even without specific showings of fraud. We do need to be vigilant. One place to emphasize that the election was lawful is in the coming debate in the General Assembly over election integrity.
